Everglow

DISTINCTIVE OUTDOOR LIGHTING SOLUTIONS

EVERGLOW LAMPS

COMBINE DISTINCTIVE STYLE, THE LATEST TECHNOLOGY & QUALITY MATERIAL.

Everglow lamps are built to last with solid all-metal bodies that stand up to the outdoor environment

Everglow Gas Lamps Add Reliability, Function and Elegance...to Homes or Businesses:

- Maximum eye appeal both night or day.
- Increase safety and security.
- Natural glow of light even during power outages.
- Adds distinctive styling to any landscape or architecture.
- Yellow spectrum of light does not attract insects.

Beautiful Durable Finish

Strict control is maintained throughout production. Protective measures ensure that the beauty of each lamp endures.

- The quality of Everglow brass lamps shines through in brilliantly polished finish.
- Epoxy powder-coat finish delivers the look and durability you expect in the black or white cast aluminum models.

Heat-Treated Glass Panes

- The finest glass available, bringing the lamps to life when lighted.
- Remove easily for cleaning.

Solid Cast Brass Construction

- The highest quality material for beauty.
- Provides a superior finish and enables it to withstand the most harsh weather.
- Weathers to a natural patina.

Cast Aluminum Construction

- Available in Black or White or Rustic Iron
- Thick-walled solid cast aluminum provides greater strength, durability and finish quality.
- Non corrosive construction will not rust.

GAS LAMP BURNERS

Standard Dual Inverted Burner

Optional Upright Burner

Optional Open Flame Burner

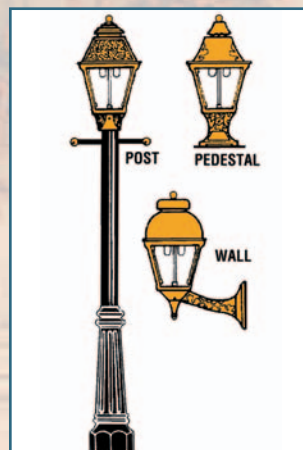

Dual inverted burner system.

- Proven for maximum light, dependability and energy efficiency. Approx. 2,500 BTU/hr.
- Available in Natural or LP gas.

Optional Burners

Everglow Gas Lamps are easily converted to the upright or open flame burners, creating a dramatic effect during the holidays or special occasions.
