

PREMIUM DIRECT VENT FIREPLACE SYSTEMS

Monessen

WARM WELCOME

Nothing invites or delights like the dancing flames of a fire. For thousands of years fire has been the focal point of hearth and home and, like so many families before, we invite you to sit by ours and enjoy their warmth and beauty.

PREMIUM FIREPLACES

COVINGTON CLEAR VIEW

The fireplace is a focal point in our rooms and a gathering place in our homes. Regardless of our personal taste or design choices, the warm ambiance of fire appeals to us all equally. The Covington Series from Monessen offers a clean front, elegantly styled fireplace that will easily fit into any décor – making it the perfect choice for any home. Available in two expansive viewing sizes, offering a number of accessories and up to an impressive 50,000 BTUs, these fireplaces set the stage for your design imagination.

The perfect fire from any angle: no glare, non-reflective ceramic glass provides the clearest view available.

KHLDV500 shown on cover with Vintage Brown Firebrick

Covington KHLDV400 with Cottage Clay Firebrick and optional filigree doors

STANDARD FEATURES:

- Available in two sizes: 32" opening (KHLDV400) and 36" opening (KHLDV500)
- Clear-View ceramic glass: viewing area of 960 square inches (KHLDV400) and 1080 square inches (KHLDV500)
- Max BTU output: 40,000 (KHLDV400) and 50,000 (KHLDV500)
- Ember bed burner with fiber ceramic logs
- Accent light provided standard with manual dimmer control
- Top vent with 5" x 8" direct vent pipe
- Fits chases with a 24" inside depth
- FE (fireplace efficiency as per CSA P4)
- Natural gas and propane gas field convertible
- Variable Hi/Lo flame adjustment

FIREBRICK OPTIONS:

- Herringbone firebrick in Vintage Brown; or traditional firebrick in Cottage Clay and Cottage Red (purchase of brick is required for all models).

Fire, and more, at your fingertips! TOTAL SIGNATURE COMMAND™ SYSTEM.

No other system offers so many available features as the Total Signature Command™ (TSC) System, now available on all Covington fireplaces. Now, from one hand held, battery controlled remote you can light the pilot and control three step flame adjustment without getting up from your couch. Enjoy A/C functionality with battery back up, adjust the blower speed, accent light, and control rear burner shut off. The TSC system also includes cold climate pilot options and a touch button command center. (Remote control is included with the purchase of a KHLDVTSC model fireplace system.)
