

## COVINGTON SEE-THRU

### Introducing the Covington See Thru direct vent fireplace from Monessen!

Now you can enjoy the realistic logs and dancing flames from two rooms at the same time. The Covington See Thru direct vent fireplace offers a large 2160 square inch viewing area on both sides of the fireplace through Clear-View ceramic glass and comes standard with an accent light with manual dimmer operation. Also standard is the Total Signature Command™ Control with full function RFSC hand held remote included – ensuring that operating your Covington See Thru is simple, convenient and energy efficient. With three firebrick styles to choose from, optional stainless steel outdoor facing kit, decorative arched door with hand forged designer inlays, and the ability to be installed on an outside wall, the Covington See Thru direct vent fireplace is the perfect addition to any two rooms where warmth and ambiance are required - indoors or out.
