UPGRADES

- Hand Painted LED Realistic Driftwood Logset
- Multi Color LED Glass Accent Kit

The Landscape FullView built-in electric fireplace is the first of its kind creating a perfect substitute for a linear gas fireplace. This unique frameless design allows for edge to edge flame presentation as well as unlimited surround capabilities. Available in 5 different lengths for any application as well as 2 customizable flame bed options for different fit and finishes. An optional 2 stage heater is also included for supplemental heat up to 450 square feet.
