

Monessen Aria Vent Free System

WARM. INVITING. FLEXIBLE.

Enliven your space with the warmth and beauty of the Monessen Aria vent free gas fireplace system. With a variety of options and accessories, the freedom to install almost anywhere and the flexibility of zero clearance, this premium fireplace with clean, transitional style caters to anyone looking for a beautiful heat source for their room. Let the Aria fireplace welcome you home.

New from the leader in vent free technology, the Aria vent free fireplace system.

Features

- Clean, transitional style suitable for any space
- Available in two sizes: 32 inch and 36 inch; and two styles: traditional with a choice of logs, or contemporary with a choice of fireglass media
- Choice of three traditional log styles on a Natural Blaze burner, or trendy fireglass media on a contemporary burner.
- Choose Cinnamon ceramic firebrick, glossy Black porcelain, or the highly reflective Black Magic glass to line the firebox, or opt for nothing at all!
- The zero clearance, ventless design makes installation easy to do in just about any space where the warmth and ambiance of a fireplace is desired.*
- Available with millivolt control or EcoLogic® IPI control**
- Manual, variable Hi/Lo control standard.

EcoLogic® Control Standard Features

- Intermittent pilot ignition or standing pilot setting
- Battery back up

EcoLogic® Control Optional Features

(Requires additional purchase of kit which includes RMSC remote and receiver.)

- Hand-held remote control
- Three step remote flame adjustment

*Not approved for bedrooms or bathrooms.

**The intermittent pilot ignition (IPI) feature of the EcoLogic®-equipped inserts requires four (4) AA batteries.
