

Monessen Symphony Vent Free System  
STYLISH. SIMPLE. VERSATILE.

Warm up a small space with the performance of the Symphony vent free system from Monessen. Designed to be slim, with a clean face and expansive viewing area, this convenient and efficient fireplace is available in traditional style (with exclusive five piece log set) or contemporary style, and features multiple options and accessories to bring simple beauty to your room. It's never been easier and more economical to heat up your favorite space — your home.

# New from the leader in vent free technology, the Symphony vent free fireplace system.

## Features

- Slimline, clean face style with an expansive viewing area suitable for almost any space. Available in two sizes: 24 inch and 32 inch.
- Choice of exclusive traditional logs on a Natural Blaze burner, or chic fireglass media on a contemporary burner.
- Choose Cinnamon ceramic firebrick, glossy Black porcelain panels, or the highly reflective Black Magic glass to line the firebox, or opt to use nothing at all!
- The Black decorative and transitional style faces offer more ways to customize the Symphony to blend in with any décor.
- The zero clearance, ventless design makes installation easy to do in just about any space where the warmth and ambiance of a fireplace is desired.\*
- Available with millivolt control or EcoLogic® IPI control\*\*
- Manual, variable Hi/Lo control standard.

## EcoLogic® Control Standard Features

- Intermittent pilot ignition or standing pilot setting
- Battery back up

## EcoLogic® Control Optional Features

(Requires additional purchase of kit which includes RMSC remote and receiver.)

- Hand-held remote control
- Three step remote flame adjustment

\*Not approved for bedrooms or bathrooms.

\*\*The intermittent pilot ignition (IPI) feature of the EcoLogic® equipped inserts requires four (4) AA batteries.
