

Door & Drawers Combo

With or without Platter storage

Access Door & Drawers Combo

The FireMagic combo door/drawer and platter storage unit provides a generous 18" x 36" size. A smaller version is also available without the center platter storage in a 18" x 30" model. Both are available in Premium, Flush and Select styles.

Key Features

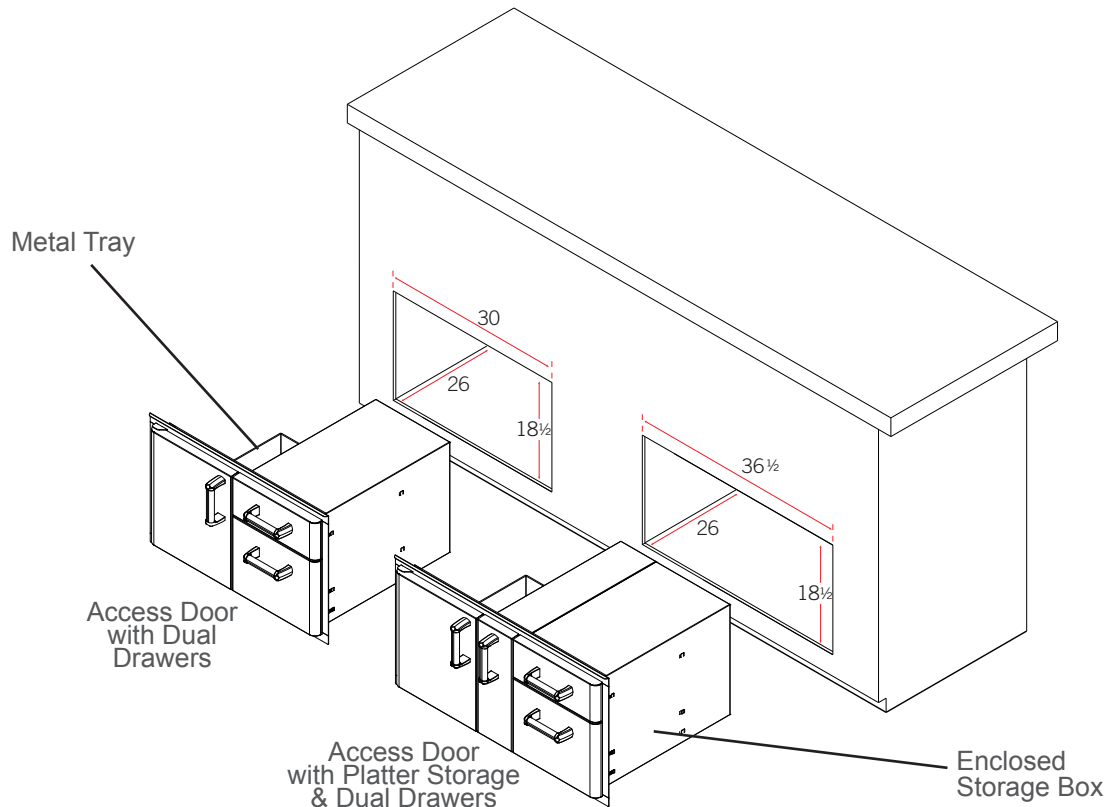

- 16 Gauge outer frame
- Double wall construction
- Foam filled for sturdier feel and quieter operation
- Top Drip edge to keep water out
- Concealed hinges
- Big, handsome handles
- Made in the USA
