TWILIGHT MODERN
INDOOR/OUTDOOR GAS FIREPLACE

The Twilight Modern is an evolution of the industry’s first indoor/outdoor see-through fireplace. This Direct Vent gas unit offers impressive fireside views whether relaxing inside or enjoying the outdoors. Bolster your favorite room and upgrade your outdoor living space—let the Twilight deliver modern style, inside and out.

- Unique indoor/outdoor viewing for increased fireside views
- Artistic flames rise through a crushed glass firebed for eye-catching details
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- IntelliFire™ Ignition System with wall switch constantly monitors ignition, ensures safe functioning
- 36" viewing area

Optional features

- Multiple combinations of interior fronts and finishes complement your décor

FORTRESS

INDOOR/OUTDOOR GAS FIREPLACE

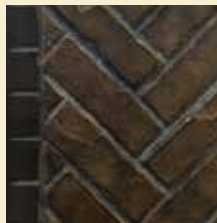

Seamlessly integrate your indoor and outdoor space with the Fortress see-through gas fireplace. The traditional style, expansive viewing area and authentic look fit perfectly in a variety of spaces. Non-reflective glass, accent lights and multiple interior brick options make this unique fireplace the ultimate in traditional luxury design. Enjoy the view both inside and out with the Fortress.

- Accent lighting enhances the effect of the flame and illuminates the fireplace interior. Enjoy the ambiance, with or without the fire
- 30" tall fireplace adds enjoyment to your space
- IntelliFire™ Touch ignition system monitors ignition and ensures safe functioning
- IntelliFire Touch touchscreen remote control
- 316 marine grade stainless steel exterior is rust-resistant even in the harshest conditions
